A Roadmap for Revenue Management

– The A-Z of Hotel Revenue Management

Date: October 2024

The Programme

A Roadmap for Revenue Management

1st - 22nd October 2024

Limited to 20 places

About The Programme:

A Revenue Management programme aimed at hospitality professionals with an entry level knowledge of Revenue Management, who would like to grow this knowledge and gain a practical understanding of revenue management principles. The programme will also support the development of employees currently working within reservation and front office roles, providing them with revenue management skills.

Objectives of the Programme:

What you will learn -

- Revenue Management Concepts and Metrics
- Pricing and Segmentation
- Distribution and Technology
- Choosing a competitive set
- The importance of reputation management
- Monitoring industry trends – current and future
- How effective collaboration between the Revenue, Sales & Marketing functions contribute to commercial success
- How to build and lead an effective and proactive revenue culture within your property
- Tips on remaining agile in an ever changing environment

The Programme Team

Amanda O'Donovan

Amanda is a commercial consultant, specialising in revenue strategy & analysis. Amanda has a proven track record of leading multi-disciplinary (Sales, Marketing, Revenue) teams in achieving key business objectives. A results driven professional with expertise in implementing key processes and technology to increase efficiencies and revenue across the organisation.

Supporting the utilisation of Opera PMS and configuration, as well as channel managers & revenue management systems, Amanda has excellent project management skills, coupled with a strategic outlook and proven leadership ability. Amanda has a proven record of forecasting revenue, implementing strategy and delivering results across key market segments.

Amanda regularly guest lectures in various educational institutes including Shannon College of Hotel Management and Munster Technological University in the area of Revenue Management.

Amanda's key skills lie in the areas of:

- Revenue strategy & analysis
- Channel Manager and Revenue Management System implementation
- Budgeting and forecasting

Deirdre McDonald

Deirdre is a marketing, revenue management and service excellence specialist to the Tourism Industry with professional experience across an extensive range of hospitality and food & beverage businesses.

A successful track record in hotel General Management allows Deirdre to deliver revenue and marketing support underpinned by an appreciation and understanding of hotel operations and the link between service excellence and commercial success.

Deirdre delivers regular training programmes for IHF Skillnet and is programme tutor and mentor on the Diageo Learning for Life programme.

Deirdre's key skills lie in the areas of:

- Revenue Management
- Sales and Marketing strategy – planning and activation
- Service excellence and reputation management
